MISS MANHATTAN DELICATESSEN'S **W**On'T WEAR NEW

BRUTAL ROBBERS

Instead, Her New Fall Hat Lulled to Slumber by the Liver- Attack Her in Her Home as Has Paid Thousands of Dollars Will Be Bigger than "Merry Widow."

EIGHTY INCHES OF BRIM.

Structure to Be Surmounted day, Patrick Hannigan carried the 200- come to the notice of the police of New edges her ownership of the art goods by Chicken Feathers Half Yard High.

Liliputian lid%" the big hat is doomed to "go out," case, it is darkly hinted, a bigger hat is

thoroughfare, with headgear in full sail. But what cares she if her appearance he welld, wonderous or wild, so long as she is creating a fashlon of the own? And that is what the New York girl is evidently determined to do, for it is whitspered that Boston and other recherche cities have already taken up the "pill-bonnet" hoom and regard it with high favor. But there cases of sarsaparana and soda water and a couple of fire extinguishers. In the cases of this metropolis are going to can be no doubt that the maids and and a couple of the shop he found a keg of a week or two after matrons of this metropolis are going to a corner of the shop he found a keg of a week or two after fight on the Bowery. wear big hats, no matter what their cider.

Parisinn or Bostonian sisters do.

You ought to have seen the hats I more inches, and disguised as a new him. The berges closed in and of the fickering gas jet, with that bulwark arrangement of Rudely awakened. Patrick Hammigan feathers and bows, which sets right up on top, it is destined to make the aeropiane makers turn green with envy.

Then there's the dear old "Merry took him to the East Thicky-fifth Siree took him took him t Widow" without disguise, except that it Station, where he slept peacefull jauntily tilts up at one side at a rakish cell until it was time to go to Yorkville angle. But now the "Merry Widow" has grown in enormity, and an eighty-inch that of the Sonia shape will be quite a commonplace affair.

ever, you must hide your hair, brow, eves and nose in a drining and drooning creation of the strawberry shade, Walen allows only a protruding chin any chance of getting the daylight. Weeping willow adernments droop over whole family could easily camp and have room to spare.

Here's a Barnyard Bonnet.

Caption Committee, telegraphed from Newport to-day:

Delignited. Accept chairmanship of Reception Committee and send check for \$500. Rest wishes for suc-

Here's a Barnyard Bonnet.

But the barnyard bonnet is perhaps But the barnyard bonnet is perhaps the cheice specimen of the whole collective the treasurer tion, for, in a stiff breeze on Broadway, it would surely make an ascenbristi from the crown, standing up A Successful eighteen inches, with justifiable pride. More like these are still to come, says Madame Louise, whose millinery collection contains some eccentric though undentably lovely specimens of the new big hat.

"The big hat is at the height of its eraze in this country," said the fashcraze in this country," said the fashlonable modiste. "Small hats may be
in vogue in Paris, but the American
woman will not yet discard her big
hat. She is very sensible, for they are
universally becoming much more popular than the small turbans. Everything
is larger this year, with indications
that hats will grow in size with the
opening season.

that hats will grow in size with the opening season.

"American women, and especially New Yorkers, have the big hat fad, and the pill box," as you call the new small hat, hasn't the slightest chance, for a while at least, of ousting the enormous headgear which is now all the rage."

But the pill box, as you call the new small hat, hasn't the slightest chance, for a while at least, of ousting the enormous headgear which is now all the rage."

But the pill box, and is the direct result of the direct result of the small state of the same than a possible for the usual mediture of the rage."

But the pill box, as you call the new small hat, hasn't the slights than the property of the pill box, as you call the new small hat, hasn't the slights that the direct result of the direct result of the direct result of the direct result of the pill box, as you call the new small hat, hasn't the slightest chance, for a while at least, of ousting the liest stages, and from three to six months sooner than is possible for the usual medital example of the pill box.

But the pill box, as you call the new small hat, hasn't the slightest chance, for a while at least, of ousting the liest stages, and from three to six months sooner than is possible for the usual medital example.

But the pill box, as you call the new small hat, hasn't the slightest chance, for a while at least, of ousting the pill box.

But the pill box is and all the direct result of the pill box is and any other throat or liest stages, and from three to six months are pilled to the pilled th

her daughter, Mrs. Annie De Castro, of de isame address, put her aboard a gennsylvania train at Jersey City bound for Mento Park, where she was to visit a train at Mento Park, but Mrs. Churchill was not aboard. Since then no one can be found who remembers having seen her.

The missing woman is described as being in good physical health, but somewhat feeble-minded. She is rather short in stature and inclined to stoutness, with dark complexion and dark hair, mixed with gray. She wore a dark blue skirt, a white wash waist, black shoes and stockings, a blue hat with black tips.

Temperature of a success of interest years' experience as a lung specialist and an expert in the diagnosis and treatment of all Chest and Throat Diseases.

Examination and consultation are given, at the office, without any charge. Consult Diseases, and stockings, a blue hat with black tips. her daughter, Mrs. Annie De Castro, of kills the tubercular germs and rebuilds the
